

WHAT IS YOUR WISH?

If you could participate in an activity within the Township of Rideau Lakes, be it a 10 week course, a one day workshop or a weekend event, what might interest you? The Department of Community and Leisure Services is your vehicle for obtaining guest lecturers, instructors, halls and facilities. In all cases, these events run on a user pay system. Registration covers all costs of providing the program. Give us your thoughts and ideas of things you would like to see offered in your community, and when. Drop your responses off to the Municipal Offices, return this via email to susan@twprideaulakes.on.ca or call your Manager of Community & Leisure Services, Sue Dunfield, at 1-800-928-2250 or 928-2251. Should demand warrant, some of your ideas just may come to be!

The Halls/Community and Leisure Services Committee have come up with some ideas. If you like them, please indicate by a check mark. Please add your own ideas to this list.

Adirondack Furniture

Bicycle Tours

Bird Watching

Other Ideas:

Preferred time/length of a class/program:

Week Day

Week Night

Week End

Workshop - Few Hours

- One day

5 Week Course

10 Week Course

Other (indicate)

Since we are doing a "wish list"

If you could have a major center in the Township, what facilities would you like to see?

And where do you think the best location might be?

Please return this questionnaire to the Department of Community and Leisure Services at your convenience. This is one way to let us know "what is your wish!"

Mail to: Susan Dunfield, Manager of Community & Leisure Services
