BACKYARD COMPOSTER

Backyard composters can be purchased at the Township Office at 1439 County Rd #8 in Chantry at a discount price of \$20.00. The first one hundred sold in 2011 come with a free kitchen composter. First come, first serve, while supplies last.

Compost is the end product of the decomposition of organic matter. Organic matter includes: garden waste, kitchen scraps, manure, leaves, grass clippings, etc. Google "compost" for more information.

Compost Material:

- Food scraps including fruit & vegetable peelings, coffee grinds & filters, tea bags, bread, egg shells, beverages, human & animal hair, manure, shredded newspaper, wet cardboard, leaves, pine needles /cones, dryer lint, cornstalks/corncoobs, sawdust, etc.

Non-Compost Material:

- Meat, bones, oils, milk, yogurt, cheese, animal droppings, ashes from charcoal or from untreated/unpainted wood.
