SECTION 1 – APPLICATION & INTERPRETATION

1.1 Title of By-law

This By-law may be cited as the “Zoning By-law” of the Township of Rideau Lakes.

1.2 Scope of By-law

1. The provisions of this By-law shall apply to all lands within the geographic limits of the Corporation of Township of Rideau Lakes, as shown on Schedules A1, A2, A3, A4 and A5 attached hereto. This By-law shall also apply to any lands not shown on the Schedules and created through the filling of water bodies, as well as to any portion of the bed of any water body where a license of occupation or lease relating to a commercial or industrial use has been issued by a relevant approval authority. Such areas shall not be used for any purpose other than a conservation use unless the Corporation has zoned such areas through an amendment to this By-law, regardless of whether or not required approvals from the relevant approval authorities have been obtained.
2. No building or structure shall hereafter be erected, altered or enlarged, nor shall the use of any building, structure or lot hereafter be changed, in whole or in part, except in conformity with the provisions of this By-law.
3. Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, provided that it continues to be used for such purpose.
4. Nothing in this By-law shall prevent the erection of any building or structure for a purpose prohibited by this By-law if the plans for such building or structure were approved by the Chief Building Official prior to the date of passing of this By-law, provided that:
 - When the building or structure is erected, it continues to be used for the purpose for which the building permit was issued; and
 - The building or structure is commenced within six (6) months of the date of the passing of this By-law and is completed within a reasonable time of the commencement.
5. This By-law shall not be effective to reduce or mitigate any restrictions imposed by a governmental authority having jurisdiction to make such restrictions.
6. All references to Provincial Acts or Regulations shall refer to the current Act or Regulation. All references to the *Planning Act* shall refer to the *Planning Act, R.S.O., 1990, Chapter P.13*, as amended.

1.3 Interpretation of By-law

1. In this By-law, unless the context requires otherwise, words used in the singular shall include the plural and words used in the plural shall include the singular.
2. In this By-law, the word “shall” is mandatory and “may” is permissive.
3. In this By-law, unless the context requires otherwise, the word “used” shall include “designed to

be used” and “arranged to be used”, and the word “occupied” shall include “designed to be occupied” and “arranged to be occupied”.

1.4 Schedules to By-law

The following schedules which are attached hereto are hereby incorporated into and are declared to form part of this By-law to the same extent as if fully described herein:

- Schedule A1 - North Crosby Ward
- Schedule A2 - South Crosby Ward & Newboro Ward
- Schedule A3 - Bastard & South Burgess Ward – North Portion
- Schedule A4 - Bastard & South Burgess Ward – South Portion
- Schedule A5 - South Elmsley Ward

1.5 Zoning Administrator

This By-law shall be administered by the Zoning Administrator.

1.6 Issuance of Building Permits, Certificates and Licenses

1. Notwithstanding any provisions of the Building By-law or any other by-law of the Corporation to the contrary, no building permit, certificate or license shall be issued where the proposed building, structure or use would be in violation of any of the provisions of this By-law.
2. Notwithstanding the generality of (1) above, where the approval of another agency or authority is required, this shall mean that the approval of such shall be obtained by the applicant and submitted to the Zoning Administrator at such time as an application is made for a building permit.

1.7 Certificate of Occupancy

No change shall be made in the type of use of land, buildings or structures within any zone without first obtaining a Certificate of Occupancy from the Corporation, pursuant to the Township’s Occupancy Permit By-law.

1.8 Request for Amendment to Zoning By-law

Every request for an amendment to this Zoning By-law shall be accompanied by the Corporation’s “Application for an Amendment to Zoning By-law”.

1.9 Inspection

The Zoning Administrator, the Chief Building Official or any other officer or employee of the Corporation acting under the direction of Council is hereby authorized to enter at all reasonable hours upon any property or premises for the purpose of carrying out his duties under this By-law. Notwithstanding the foregoing, a dwelling unit shall not be entered without the consent of the occupant except under the authority of a search warrant.

1.10 Violations and Penalties

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine in accordance with the provisions of the *Planning Act* and every penalty shall be recoverable under the

Provincial Offences Act.

1.11 Remedies

Where any building or structure is to be erected or altered, or any part thereof is to be used, or any lot is to be used, in contravention of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation pursuant to the provisions of the *Planning Act* or the *Municipal Act*.

1.12 Validity

If any section, clause or provision of this By-law, including anything contained in Schedules A1, A2, A3, A4 and A5 attached hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the By-law as a whole or any part thereof, other than the section, clause or provision(s) so declared to be invalid. It is hereby declared to be the intention that all the remaining sections, clauses or provisions of this By-law shall remain in full force and effect until repealed, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

1.13 Typographical Corrections

No amendment to this By-law shall be required in order for the Corporation to make typographical corrections such as spelling, punctuation and section numbering changes where, in the opinion of the Corporation, such corrections do not affect the intent of the By-law.

1.14 Existing By-laws

All other by-laws of the Corporation enacted pursuant to Section 34 or predecessors thereof of the *Planning Act* are hereby repealed and, without limiting the generality of the foregoing, existing by-laws that are repealed include:

- By-law No. 88-13 of the former Township of North Crosby;
- By-law No. 32-83 of the former Township of South Crosby;
- By-law No. 7-83 of the former Village of Newboro;
- By-law No. 573 of the former Township of Bastard and South Burgess;
- By-law No. 94-42 of the former Township of South Elmsley; and
- All by-laws of the former Township of North Crosby, former Township of South Crosby, former Village of Newboro, former Township of Bastard and South Burgess, former Township of South Elmsley and Township of Rideau Lakes which amend the foregoing by-laws.

SECTION 2 - DEFINITIONS

For the purpose of this by-law, the definitions and interpretations in this section shall govern.

- **ACCESSORY DWELLING UNIT** shall mean a dwelling unit which is part of and accessory to a permitted non-residential building and which is occupied by the family of the owner of such non-residential building or by the family of a person employed on the lot where such dwelling unit is located.

ENVIRONMENTAL IMPACT STUDY shall mean an environmental impact assessment completed in accordance with the provisions of the Official Plan.

EQUIPMENT RENTAL OUTLET shall mean the use of land and buildings for the rental of equipment, machinery, furniture and fixtures which are primarily of a size and type which would be used for home improvement or household purposes and which would generally be transportable by the general public.

ERECT shall mean build, construct, reconstruct or relocate and shall include any preliminary physical operations such as cutting, grading, excavating, filling, or draining or any altering of an existing building by an addition, extension or other structural change or the doing of any work for which a building permit is required under the building by-laws of the Corporation. The words “erected” and “erection” shall have a corresponding meaning.

EXISTING shall mean existing as of the date of passing of this By-law.

FLOOD LINE shall mean the line showing the limit of the 1:100 year flood level as established by flood plain mapping of the relevant Conservation Authority.

FLOOD PLAIN shall mean the area below the 1:100 year flood line.

FLOOR AREA shall mean:

- For a dwelling or dwelling unit, the total area of the storeys contained within the exterior walls of the dwelling or dwelling unit, exclusive of any garage, carport, unenclosed porch or deck, unfinished attic, unfinished basement or unfinished cellar;
- For a building other than a dwelling or dwelling unit, the total area of all floors contained within the exterior walls of the building.

FLOOR SPACE INDEX shall mean the ratio of the total floor area of a dwelling and any sleeping cabin, if applicable, to the area of the lot on which the dwelling is situated, expressed as a percentage. In the case of a lot which abuts a water body, the floor space index shall be calculated on the basis of the portion of the lot which is located within 60 m of the water body.

FUEL STORAGE FACILITY shall mean an establishment primarily engaged in the bulk storage and distribution of petroleum, gasoline, fuel oil, gas or other similar products in fuel storage tanks.

GARDEN CENTRE shall mean an establishment primarily used for the retail sale of gardening equipment, products and planting materials, including greenhouses for the cultivation of such materials.

GARDEN SUITE shall mean a single dwelling that is designed to be portable, including a mobile home, for the use of an elderly member of the family occupying a single dwelling on the same lot and for which a temporary use by-law has been adopted, pursuant to the provisions of the *Planning Act*. (#2006-83, July 2006)

GOLF COURSE shall mean a public or private area operated for the purpose of playing golf and includes a driving range and accessory uses such as a club house, a putting green and similar uses.

GRADE shall mean the median elevation between the highest and lowest points of the finished surface of the ground (measured at the base of the building or structure), but exclusive of any embankment in lieu of steps.

GROUP HOME shall mean a single dwelling which is occupied by 3 to 10 unrelated residents who, by reason of their emotional, mental, social or physical condition or legal status, require a supervised family living arrangement for their well-being. A group home may be occupied as the residence by the staff or receiving family. A group home does not include foster homes, boarding houses or other uses defined herein.

HEAVY EQUIPMENT SALES OR RENTAL ESTABLISHMENT shall mean an establishment having as its main use the storage of heavy trucks and/or excavation or construction equipment for sale, rent or lease. Accessory uses may include facilities for the repair or maintenance of such heavy equipment.

HEIGHT, when used with reference to a building, shall mean the vertical distance between grade and:

- The highest point of the roof surface on a flat roof;
- The deck line on a mansard roof;
- The mean level between the eaves and ridge of a gable, hip or gambrel roof.

HIGH WATER MARK shall mean the mark made on the shore or bank of a water body through the action of water, which action has continued over such a long period of time that it has created a difference between the character of the vegetation or soil below the mark and that above the mark, except that in the case of the Rideau Canal the high water mark shall be the upper controlled water elevation. For the purposes of this definition, Rideau Canal shall include the following lakes and their connecting channels: Lower Rideau, Big Rideau, Upper Rideau, Newboro, Loon, Mosquito, Benson, Indian, Clear, Opinicon, Sand and Whitefish Lakes.

HOME-BASED BUSINESS shall mean an occupation, trade, business, profession or craft conducted as an accessory use to the use of a dwelling by the dwelling occupant(s) and includes the following:

- Instruction of students;
- Respite care or day care, provided that no residential accommodation is provided;
- Occupations in the areas of a personal service, a service outlet or a tradesperson's establishment, all as defined in this By-law;
- Office for conducting a business or profession;
- Studio of an artist, artisan or craftsman.

INDUSTRIAL USES shall refer to lands, buildings, or structures used in conjunction with any process carried on in the course of trade or business for or incidental to any of the following purposes:

- The making of any article of any description, or part of any article;
- The altering, repairing, ornamenting, furnishing, cleaning, washing, packing, canning, refurbishing or adapting for sale, or breaking up or demolition of any article;
- The obtaining, dressing, or treating of minerals or aggregates.

KENNEL shall mean a building or structure where animals other than livestock are bred, boarded or trained for financial compensation.

LANE shall mean a driveway providing access from within a property to a public street.

LIVESTOCK FACILITIES shall mean livestock and poultry barns, buildings or structures where agricultural animals are housed and shall include feed lots and associated manure storage.

LOADING SPACE shall mean a space or bay located on a lot which is used or intended to be used for the temporary parking of any commercial vehicle while loading or unloading goods, merchandise or materials used

in connection with the use of the lot or any building thereon.

LOT shall mean a parcel or tract of land which is capable of being legally conveyed in accordance with the provisions of the *Planning Act*.

- **CORNER LOT** shall mean a lot, other than a waterfront lot as defined herein, situated at the intersection of two streets, of which two adjacent sides that abut the intersecting streets contain an angle of not more than 135 degrees.
- **INTERIOR LOT** shall mean a lot, other than a waterfront lot as defined herein, situated between adjacent lots and which has frontage on one street.
- **THROUGH LOT** shall mean a lot, other than a waterfront lot as defined herein, bounded on two opposite sides by streets, provided that if any lot qualifies as being both a corner lot and a through lot, the lot shall be deemed a corner lot for the purposes of this By-law.
- **WATERFRONT LOT** shall mean a lot which abuts a shoreline but which does not abut an improved street or a street which will become an improved street pursuant to provisions in, and financial security associated with, a subdivision agreement registered on the title to the lot.

LOT AREA shall mean the total horizontal area within the lot lines of a lot.

LOT COVERAGE shall mean that portion of the area of a lot covered by all main and accessory buildings, porches, decks, swimming pools and similar features, but excluding automobile service station pump island canopies, entrance canopies for non-residential buildings, and balconies and overhanging eaves which are more than 2.5 m above finished grade. (#2006-83 July, 2006)

LOT FRONTAGE shall mean the width of a lot measured between the intersections of the side lot lines with a line that is continuously 6 m back from and parallel to the front lot line.

LOT LINE shall mean any boundary of a lot or the vertical projection thereof.

- **FRONT LOT LINE** shall mean the following:
 - In the case of an interior lot, the line dividing the lot from the street;
 - In the case of a corner lot or through lot, the shorter lot line abutting a street, or where access is gained to the lot regardless of the length of the line.
 - In the case of a waterfront lot, the high water mark shall be deemed to be the front lot line.
- **REAR LOT LINE** shall mean in the case of a lot having four or more lot lines, the lot line farthest from and opposite to the front lot line. If a lot has less than four lot lines, there shall be no rear lot line.
- **SIDE LOT LINE** shall mean a lot line other than a front or rear lot line.

MARINA shall mean an establishment or premises located on a water body and containing facilities where boats and boat accessories are berthed, stored, serviced, repaired, maintained or kept for sale or rent and where facilities for the sale of marine fuels and lubricants, as well as the parking of customers' vehicles, may be provided.

MARINE FACILITY shall mean an accessory building or structure which is used to place a boat into or out of a water body, or used to moor, berth or store a boat. This definition may include a boat launching ramp, boat lift, dock, boathouse, boatport, slip, but shall not include any building used for human habitation nor any marina or

boat service, repair or sales facility.

MOBILE HOME shall mean a prefabricated building which bears a CSA Z240 approval and which is designed to be towed on its own chassis (notwithstanding that its running gear is or may be removed), designed and equipped for year round occupancy and containing therein facilities for cooking or for the installation of cooking equipment, as well as sanitary facilities including a flush toilet and shower or bathtub. This definition shall not include a travel trailer or tent trailer or trailer otherwise defined in this By-law.

MOBILE HOME SITE shall mean a portion of a mobile home park designed to accommodate one mobile home.

MOBILE HOME PARK shall mean land which has been provided and designed for the location of two or more occupied mobile homes.

NON-COMPLYING when applied to a use, building or structure shall mean a use, building or structure which is listed as a permitted use in the zone in which it is located but which contravenes one or more of the provisions of this By-law for the zone in which it is located, as of the date of the passing of this By-law.

NON-CONFORMING shall mean a use, building or structure which, on the date of the passing of this By-law, is not within the list of permitted uses for the zone in which it is located.

OFFICIAL PLAN shall mean the *Official Plan of the Township of Rideau Lakes*, as amended.

OPEN MARKET shall mean a building or open air facility where individual vendors operating from stalls, booths or other defined areas offer the following for sale: Fresh fruit, vegetables and herbs, poultry, fish, meat, eggs, cheese, honey, cider, maple products, cut flowers, bedding plants, shrubs and trees, baked foodstuffs, second hand furniture and other items, handicrafts and other hand-made products.

OPEN SPACE shall mean unoccupied space open to the sky on the same lot with the building.

OPEN STORAGE shall mean the storage of goods, merchandise or equipment outside a building or structure on a lot or portion thereof, but does not include the outdoor display of a limited number of samples of the goods, merchandise or equipment for the purposes of sales and advertisement, nor does it include the open storage of a limited quantity of operative or licensed vehicles and equipment that are normally associated with residential occupancy.

OUTDOOR WOODBURNING FURNACE shall mean an accessory building or structure which operates as a heat source for associated main buildings.

PARK shall mean an area consisting largely of open space, which may include a recreational area, playground, playing field, tennis courts, lawn bowling greens, indoor and outdoor skating rinks, curling rinks, athletic field, picnic areas, swimming pools, day camps, community centres or other similar use, but it shall not include a mobile home park or tourist campground.

- **PUBLIC PARK** shall mean a park owned or controlled by the Corporation or by any ministry, board, commission or authority established under any statute of Ontario or Canada.
- **PRIVATE PARK** shall mean a park other than a public park.

PARKING AREA shall mean a lot or lots or portions thereof required in accordance with the provisions of this by-law for the temporary parking of motor vehicles and includes any related aisles, parking spaces, entrance and exit lanes, but, it shall not include any part of a public street.

SECTION 3 - GENERAL PROVISIONS

3.1 Accessory Uses

Except as otherwise set out in this section, accessory uses, buildings or structures shall be permitted in any zone, provided that:

1. Accessory buildings or structures other than sleeping cabins shall not be used for human habitation, except as specifically permitted elsewhere in this By-law.
2. Accessory buildings shall be included for the purposes of compliance with maximum lot coverage provisions.
3. There shall be no minimum yard or water setback provisions applicable to a marine facility, except that the minimum side yard shall be 4.5 m.
4. The minimum separation distance between a detached accessory building and the main building shall be 1 m.
5. Any building or structure that is attached to the main building shall not be considered as accessory.
6. On a lot which both abuts a water body and is situated in a Residential zone, one sleeping cabin shall be a permitted accessory use, provided that:
 1. The maximum floor area of a sleeping cabin shall be 25 m².
 2. The minimum water setback of a sleeping cabin shall be 30 m or the water setback of the existing dwelling, whichever is greater.
7. In a Residential zone, buildings or structures accessory to a residential use shall be subject to the following special provisions:
 1. The lot coverage of all accessory buildings or structures shall not exceed 10%.
 2. The maximum height of an accessory building or structure shall be 6.0 m.
 3. Notwithstanding the yard provisions of this By-law to the contrary, except as otherwise for a marine facility, an accessory building or structure other than a sleeping cabin may be located in a required interior side or rear yard, provided that the minimum yard shall be as follows:
 - 2m, where the accessory building or structure is less than 4 m in height and 5 m in length, measured parallel to the interior side or rear lot line, as applicable; (#2006-83 July, 2006)
 - 3m, in all other cases. (#2006-83 July, 2006)
8. Except as otherwise provided in this section, accessory buildings and structures shall conform to the zone provisions applicable to main buildings.
9. Notwithstanding the foregoing provisions, an outdoor woodburning furnace shall only be permitted in a Rural or Agriculture zone and all yards shall be a minimum of 100 m.

3.2 Existing Non-Complying Lots

Where, on the date of passing of this By-law, a lot exists with less than the minimum lot frontage, water frontage and/or lot area required by this By-law, or is increased in lot frontage, water frontage and/or lot area but is still undersized, such non-complying lot may be used and a building or structure may be erected, altered or used for a purpose permitted in the zone in which it is located on the date of the passing of this By-law without the requirement to obtain relief from the applicable lot frontage, water frontage and/or lot area provisions of this By-law. This provision shall not be construed as granting relief from any other provisions of this By-law.

3.3 Front Yard Reduction Within Villages and Hamlets

Notwithstanding any minimum front yard requirement of this By-law to the contrary, on a lot within the **Village and Hamlet** designation of the Official Plan, the front yard may be reduced to 3.0 m or the average of the front yards of existing main buildings located on the abutting lots, whichever is greater.

3.4 Frontage on an Improved Street

No lot shall be used and no building or structure shall be erected on a lot in any zone unless such lot has sufficient frontage on an improved street to provide driveway access. Notwithstanding the foregoing, this provision shall not apply to:

- A non-residential building or structure accessory to an agricultural or conservation use;
- A lot on a registered plan of subdivision and with frontage on a street which will become an improved street pursuant to provisions in, and financial security associated with, a subdivision agreement that is registered on the title to the lot;
- A lot located in a Waterfront Residential (RW) zone.
- A waterfront lot located in a Rural (RU) zone, where development is restricted to that portion of the lot within 100 m of the high water mark and the use of the lot is restricted to those permitted in the RW zone. (#2006-83 – July, 2006)
- Lots created by an approved Plan of Subdivision or by Consent under the *Planning Act*. (#2006-83 – July, 2006)
- Concession 6, Part Lot 6, Ward of South Crosby (#2007-6 – January, 2007)
- Concession 1, Part Lot 4, RP 28R-135, Part 44, Ward of South Crosby (#2007-67 – August, 2007)
- Concession 1, Part Lot 4, RP 28R-135, Part 62, Ward of South Crosby (#2007- 92, November, 2007)

3.7 Home-Based Businesses

A home-based business shall be permitted as an accessory use to a residential use in accordance with the following provisions:

1. No more than 25% or 40 m² of the floor area of the dwelling unit, whichever is lesser, shall be used for the home-based business.
2. There shall be no visible indication from the exterior of the presence of the home-based business other than one non-illuminated sign not larger than 1 m².
3. There shall be no open storage of inoperative or unlicensed motor vehicles or other materials, or outdoor animal enclosures.
4. There shall be no storage of hazardous materials such as paint or other flammable, corrosive or explosive substances.
5. There shall be no direct retail sale of goods other than those produced on the premises or those which are clearly incidental to a personal service or service outlet home-based business.
6. Where instruction, respite care or day care is provided, there will be no more than six persons, other than the instructor or caregiver, in attendance at any one time. In the case of all other home-based businesses, not more than one individual client or customer shall be served at any one time.
7. A maximum of one person in addition to the dwelling occupant(s) may be employed in the home-based business, provided that the maximum number of persons employed in the home-based business shall not exceed three. For the purposes of this subsection, the number of persons shall be calculated on the basis of full-time equivalence.

8. Except in the case of lots designated **Village and Hamlet** in the Official Plan, up to 40 m² of floor area within an accessory building may be used for the home-based business, provided that:
 1. The accessory building shall be located a minimum of 15 m from the closest dwelling on another lot.
 2. The combined total floor area used for the home-based business within the accessory building and dwelling unit shall not exceed 40 m².
9. Not more than one commercial vehicle related to the home based-business shall be kept on the premises.
10. The home-based business shall not, in the opinion of the Township, change the predominantly residential character of the property or create or become a public nuisance with regard to noise, odours, vibration, heat, traffic, lighting or other annoyance.

3.8 Loading Space Requirements

1. Number of Loading Spaces Required

Any commercial or industrial use which involves the transfer of goods, wares, merchandise or raw materials to and from the site shall provide and maintain loading facilities on the lot in accordance with the following regulations:

<u>Floor Area of Building</u>	<u>Number of Loading Spaces</u>
less than 200 m ²	0
200 m ² - 1,000 m ²	1
over 1,000 m ²	1 plus 1 additional loading space per each 1,000 m ² of floor area or part thereof

2. Loading Space Size

A required loading space shall be a minimum of 9.0 m long, 3.5 m wide and have a vertical clearance of at least 4.5 m.

3. Loading Area Surface

A loading area shall be maintained with a stable surface such as concrete, asphalt or crushed stone.

4. Cumulative Loading Requirements

Where a lot, building or structure accommodates more than one use, the loading space requirement shall be the sum of the requirements for the uses.

3.9 Lots Containing More Than One Use

Where a lot accommodates more than one use and the provisions of this By-law for the uses are different, the more restrictive provisions shall apply.

3.10 Lots Divided Into More Than One Zone

Where a lot is divided into more than one zone, each portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is located.

3.11 Moving of Buildings

No building or structure shall be moved into the Township or onto any lot unless its use and location comply with this By-law.

3.12 Non-Conforming Uses and Non-Complying Uses, Buildings and Structures

1. Buildings Accessory to Non-Conforming Uses

An accessory building may be erected for an existing legal non-conforming use, provided it complies with the provisions of this By-law.

2. Change of Non-Conforming Use

A non-conforming use may not be changed to another use unless it is to a permitted use in the zone in which it is located. Pursuant to the provisions of the *Planning Act* and the Official Plan, a non-conforming use may only be changed to another non-conforming use with the permission of the Committee of Adjustment.

3. Repair, Restoration and Reconstruction of Non-Conforming Uses or Non-Complying Uses, Buildings or Structures

1. A legal non-conforming use or non-complying use, building or structure may be repaired or restored provided that:

- Such repair or restoration does not increase the height, size, volume or extent of non-conformity or non-compliance of the use, building or structure, except as is required in order to comply with the requirements of the *Ontario Building Code*.
(#2006-83 – July, 2006)

2. A legal non-conforming use or a non-complying use, building or structure that is damaged to an extent which has rendered it unusable or unoccupiable may only be reconstructed provided that:

- The damage which rendered the building or structure unusable or unoccupied must have been the result of fire, flood, wind, earthquake or other causes beyond human control;
- A building permit must be obtained and reconstruction work commenced within 24 months of the date upon which the building or structure became unusable or unoccupied; and
- Such reconstruction does not increase the height, size, volume or extent of non-conformity or non-compliance of the use, building or structure beyond that existing prior to the occurrence of the damage, except as is required in order to comply with the requirements of the *Ontario Building Code*.
(#2006-83 – July, 2006)

4. Replacement of Non-Complying Sewage Disposal Systems

Notwithstanding any provision of this By-law to the contrary, a sewage disposal system which was legally constructed under the regulations governing sewage disposal systems that were in force and effect at the time of such construction but that is non-complying with respect to the water setback provisions, may be replaced in accordance with the following:

- Where the sewage disposal system is located on a lot which is less than 45m in depth measured from the high water mark, the water setback for the replacement sewage disposal system shall be that of the existing sewage disposal system or as set out in the Ontario Building Code, whichever is greater. (#2006-119 – November, 2006)
- Where the sewage disposal system is located on a lot which is greater than 45m in depth measured from the high water mark, the minimum water setback for the replacement sewage disposal system shall be 30m. (#2006-119 – November, 2006)

5. Enlargements of Non-Conforming Uses

A non-conforming use may not be enlarged or extended, except with the permission of the Committee of Adjustment for the Township, pursuant to the provisions of the *Planning Act* and the Official Plan.

6. Enlargements of Non-Complying Uses, Buildings or Structures

A non-complying use, building, or structure may not be enlarged, except in compliance with all applicable provisions of this By-law. (#2010-32 – April, 2010)

3.13 Occupancy Restrictions

None of the following shall be used as a dwelling or for the purposes of human habitation:

1. Any truck, bus, coach, railway or streetcar body;
2. Any marine facility or building or structure accessory to a residential use, other than a sleeping cabin;
3. Any recreational vehicle, travel trailer or tent trailer, except in a tourist campground or as a temporary use in accordance with Section 3.24 of this By-law.

3.14 Open Storage

Open storage shall be permitted as an accessory use to a permitted use within any zone other than a Residential zone, provided that:

1. No part of an open storage area shall be located within a minimum yard or water setback required by this By-law;
2. Open storage shall not occupy any driveway or parking or loading area required by this By-law;

3. Where open storage is situated less than 30 m from a Residential zone, a street or a dwelling on another lot, a continuous buffer strip consisting of a berm, fence or landscaping having a minimum combined height of 1.5 m shall be provided so as to screen the open storage area from the street or dwelling. Such buffer strip shall be broken only by a driveway or walkway from the street.

3.15 Parking Requirements

1. Number of Parking Spaces Required

In any zone, the owner or occupant of any lot or building or structure erected, enlarged or changed in use after the passing of this By-law, shall provide off-street parking in accordance with the following:

<u>Type of Use</u>	<u>Number of Parking Spaces Required</u>
One and two-unit dwellings	2 parking spaces per dwelling unit, provided that 1 of the 2 required spaces may be in tandem
Dwellings of three units or more	1 parking space per dwelling unit
Mobile Home Park or Campground	1 parking space per site
Group home	1 parking space in addition to the applicable dwelling requirement
Home-based business	1 parking space in addition to the applicable dwelling requirement

School - elementary	1.5 parking spaces per classroom
<u>Type of Use</u>	<u>Number of Parking Spaces Required</u>
School - secondary	4 parking spaces per classroom
Institutional or public use	1 parking space per 40 m ² of floor area
Industrial, warehouse or storage use	1 parking space per 70 m ² of floor area

2. More than One Use on a Lot

Where a building or lot accommodates more than one use, the number of parking spaces required shall be the sum of the requirements for each of the uses.

3. Parking Space Size and Access

Each parking space shall have minimum dimensions of 2.75 m by 6 m, except that a parking space for the physically-disabled shall have minimum dimensions of 3.7 m by 6 m. A parking space shall have unobstructed access, except where tandem parking is specifically permitted by this By-law.

4. Parking for the Physically-Disabled

Where a required parking area contains 10 or more parking spaces, reserved parking spaces for the physically-disabled shall be provided at the rate of 1 parking space for the physically-disabled per 30 required parking spaces or fraction thereof, subject to the provision of a minimum of 1 parking space for the physically-disabled.

5. Driveway Access to Parking Areas

Driveways designated for two-way traffic shall have a minimum width of 6 m. One-way driveways and driveways serving only one dwelling unit shall have a minimum width of 3.0 m. For portions of a driveway that directly abut a parking space, the minimum driveway width shall be as follows:

<u>Angle of Parking Space to Driveway</u>	<u>Minimum Driveway Width</u>
0 degrees	3 m
30 degrees	3.4 m
45 degrees	3.7 m
60 degrees	5.4 m
90 degrees	6 m

6. Parking Area Surface

A parking area shall be maintained with a stable surface such as concrete, asphalt or crushed stone.

7. Parking Area Location

Required parking for any residential use or Residential zone shall be provided on the same lot as the dwelling unit.

Required parking for non-residential uses shall be provided within 150 m of the building that it is intended to serve and no part of any parking area shall be permitted on lands not zoned for the use with which the parking is associated. Where required parking is not provided on the same lot, the lot on which the parking is located shall be under the same ownership and shall be retained for the duration of the use.

8. **Parking Requirements for Additions to Existing Buildings**

Where an existing building or structure has insufficient parking spaces to comply with the provisions of this By-law, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, provided that no addition may be built and no change of use may occur within the existing building or structure, the effect of which would be to increase the extent of such deficiency.

3.16 **Pits, Quarries, Wayside Pits, Wayside Quarries and Portable Asphalt Plants**

No pit, quarry, wayside pit, wayside quarry or portable asphalt plant shall be permitted except in a zone where such uses are specifically listed as permitted.

3.17 **Public Uses**

Any land may be used and any building or structure erected or used for the purpose of a public use as defined in this By-law, provided that:

- Lot coverage, setback and yard requirements of the zone in which such land, building or structure is located shall be complied with, except in the case of towers, poles, lines and transmission facilities for natural gas, electricity, cable, water, storm and sanitary sewage and wired and wireless communications.
- Any building or structure erected or used shall be designed, maintained and used in a manner compatible with the buildings and structures permitted in the zone in which it is located.

3.18 **Residential Separation Distances from Other Land Uses**

Notwithstanding any other provisions of this By-law, any new dwelling shall be located minimum distances from certain zones or land uses on other lots as follows:

- From a Class "B" pit with no excavation below the water table 150 m
- From any other pit 300 m
- From a quarry, asphalt plant or concrete plant 500 m
- From land zoned Salvage Yard Industrial 300 m
- From land zoned Disposal Industrial 500 m
- From a kennel 300 m

- From livestock facilities As per the Minimum Distance Separation I (MDS I) formula, as issued by the Ontario Ministry of Agriculture and Food, except that MDS I shall not apply to a new dwelling to be located on a lot

of less than 2 ha in area

- (Part Lot 18, Concession 9, South Crosby)

Notwithstanding the provisions of Section 3.18 to the contrary, on the lands identified as RU-17, the required 500m development setback surrounding a Disposal Industrial (MD) (i.e. landfill) shall be reduced to 150m. (#2010-60 - June, 2010)

- (Part of Lot 23, Concession 5, South Elmsley)

Notwithstanding the provisions of Section 3.18 to the contrary, on the lands zoned RU-18, Custom Workshop and Tradespersons Establishment shall be considered permitted uses. This Special Exception zone shall only encompass the first 60m of the property from Old Kingston Road and west of private road R9. (#2010-80 – August, 2010)

3.19 Setbacks from Environmental Protection (EP) Zones in this By-law and Natural Heritage Designations in the Official Plan

Notwithstanding any other provisions of this By-law, the minimum setback of any building or structure from lands zoned Environmental Protection in this By-law or designated Natural Heritage in the Official Plan shall be as follows:

- From the Environmental Protection – A (EP-A) zone or Natural Heritage A designation in the Official Plan 120 m
- From the Environmental Protection – B (EP-B) zone or Natural Heritage B designation in the Official Plan 50 m

or such lesser setback as recommended in an Environmental Impact Study undertaken to the satisfaction of the Township, provided that such lesser setback shall not be less than 30 m.

3.20 Sewage Disposal Systems and the Applicability of this By-law

Except in relation to water setbacks, sewage disposal systems shall not be subject to the provisions of this By-law.

3.21 Sight Triangles

Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- A building, structure or use which would obstruct the visions of motorists;
- A fence or any vegetation of a height which is more than 1 m above the elevation of the centrelines of abutting streets;
- A parking area.

3.22 Shoreline Area Occupancy

Notwithstanding any provisions of this By-law to the contrary, on any lot abutting a water body and used for purposes other than a marina, a maximum of 20% or 15 m of the shoreline area, whichever is lesser, shall be occupied by marine facilities, pump houses, stairs, decks, patios, gazebos and all other accessory buildings and structures. For the purposes of this section, the shoreline area shall include that portion of the lot lying within 3 m of the high water mark.

3.23 **Street and Private Right-of-Way Setbacks**

The following setbacks shall be required:

- County street 13 m from the centre line of the street plus the minimum required front yard for the appropriate zone
- Township street 10 m from the centre line of the street plus the minimum required front yard for the appropriate zone
- Private right-of-way 6 m from the edge of the right-of-way

3.24 **Temporary Uses**

The following shall be permitted in any zone, except Environmental Protection (EP) and Flood Plain (FP) zones:

- Construction facilities such as sheds, scaffolds and other structures incidental to the construction on the premises for so long as the work is in progress;
- A temporary real estate sales and/rental office;
- A travel trailer, tent trailer or recreational vehicle occupied on a temporary basis during the course of construction of a dwelling on the same lot, provided that:
 - Temporary connection to an approved on-site sewage disposal system is provided;
 - A building permit for a dwelling has been issued and remains in force;
 - The trailer or vehicle is located in accordance with the required yards and water setbacks applicable to a dwelling;
 - In no event shall the trailer or vehicle be located on the lot for a period exceeding two years from the date of issuance of the building permit.

3.25 **Through Lots**

On a through lot, the minimum front yard requirement shall apply to each yard abutting a street.

3.26 **Water Frontage and Water Setbacks**

1. Except as otherwise provided by Section 3.2, the minimum water frontage for any lot shall be 60 m.
2. Except as otherwise permitted by Sections 3.1, 3.12 and 3.27 of this By-law, the minimum water setback shall be 30 m for all buildings and structures, including sewage disposal systems but excluding the following:

- Decks, hot tubs and gazebos which are unattached to a main building and which have a combined horizontal surface area of less than 14 m². (#2006-83 – July, 2006)
- Marinas, pump houses, marine facilities and stairs.
- Notwithstanding the provisions of Section 3.26.2, on lands zoned RW-6, the following provisions shall prevail:
 - Dwelling Unit Area (Minimum) 19.3m
 - Water Setback 40m

3.27 Yard and Water Setback Encroachments

Notwithstanding the yard and setback provisions of this By-law, the following encroachments are permitted:

- Sills, belt courses, chimneys, cornices, eaves, gutters, parapets, bay windows and other ornamental features may project into any yard or water setback by not more than .6 m;
- Attached unenclosed porches, open patios, decks, balconies, hot tubs, exterior stairs and landings may project from the main building into any minimum required yard or water setback by not more than 3 m, except that where an existing main building is non-complying in relation to the required water setback, an open and unroofed deck, hot tub, exterior stairs or landing having a combined horizontal surface area of less than 14 m² may project into the existing water setback by a maximum of:
 - 65652 m, where the water setback of the existing building is equal to or greater than 15 m but less than 30 m; or
 - 1.2 m, where the water setback of the existing building is equal to or greater than 6 m but less than 15 m.
- Awnings, clothes poles, flag poles, garden trellises, fences, plant materials and similar accessory structures shall be permitted in any required yard or water setback;
- Swimming pools shall be permitted in any required yard, but shall not encroach into the required 30 m water setback such that the water setback of the pool would be less than that of any existing non-complying dwelling or non-residential main building. (#2006-83 – July, 2006)

3.28 Additional Lot Coverage and Floor Space Index Provisions for a Lot Abutting a Water Body

In addition to the maximum lot coverage and floor space index provisions of this By-law, the following additional provision shall apply to any development within 60 m of the high water mark on a lot abutting a water body:

- The maximum lot coverage and floor space index requirements of this By-law shall also be complied with on the basis of including only that portion of the lot area situated within 60 m of the high water mark for the purpose of the calculations. (#2006-83 – July, 2006)

SECTION 4 - ZONES

4.1 General

For the purposes of this By-law, the land area of the Township is divided into various generalized and specific zones to which the provisions and regulations herein shall apply.

4.3 **Boundaries of Zones**

The location and boundaries of the zones established by this By-law and certain requirements applicable to such zones are shown on the maps hereto attached as Schedules A1, A2, A3, A4 and A5. Where any uncertainty as to the boundary of any zone as shown on the zoning schedules, the following provisions shall apply:

1. Where a zone boundary is indicated as following and is within the boundary of a street, lane, railway right-of-way, other right-of-way or watercourse, the boundary shall be the centre of such street, lane, railway right-of-way, right-of-way or watercourse.
2. Where a zone boundary is indicated as approximately following lot lines on a registered plan of subdivision, deposited reference plan or original Township survey, the boundary shall follow such lot lines. No amendment to the By-law shall be required for minor adjustments to zone boundaries shown on Schedules A1, A2 and A3 where, in the opinion of the Township, such adjustments are merely for the purpose of more accurately reflecting surveyed information.
3. Where a zone boundary is indicated as following a shoreline of a watercourse, the boundary shall follow such shoreline and in the event that the shoreline changes, the boundary shall be taken as having moved with the shoreline.
4. Where a zone boundary as indicated follows the 1:100 flood line, the boundary shall be the 1:100 flood line.
5. Where any street, lane, right-of-way, railway right-of-way or watercourse as shown on the schedules is hereby closed or diverted, the object of such closure or diversion shall be included within the zone of the abutting property on either side thereof.
6. Where any zone boundary is left uncertain after the application of clauses (1) through (5) above, the boundary shall be determined by scale from the original full size zoning schedules.
7. Wherever it occurs, the municipal boundary is the limit of the zone adjacent to it.

4.4 **Holding Zones**

Where a zone symbol is followed by a hyphen and the letter “h”, this denotes a holding zone. Within such zones, only existing uses shall be permitted unless specifically stated otherwise in the by-law, until the “h” has been removed. The removal of the holding provision shall require an amendment to the By-law. Such amendment shall only be passed by Council when any applicable servicing, phasing or financial conditions or agreements for the lands have been satisfied in accordance with the requirements of the Official Plan.

4.5 **Special Zones**

Where a zone symbol is followed by a hyphen and a letter or a number other than “-h”, (for example, “-x” or “-1”), the lands so zoned shall be subject to all the provisions of the zone represented by such symbol except as otherwise provided by the special provisions of that zone.

4.6 **Temporary Zones**

Where a temporary zone is established for the purpose of accommodating a temporary use pursuant to the provisions of the *Planning Act*, the lands so zoned shall be subject to all the provisions of the zone,

except that a temporary use shall be permitted for a certain limited period of time. The zone symbol shall be followed by a hyphen, the letter “T” and a letter or a number other than “-h”, (for example, “-Tx” or “-T1”).

Temporary zones in force and effect are as follows:

1. **OS-T1** (*Part of Lot 17, Concession 2, Bastard & South Burgess*)

Notwithstanding any provisions of this By-law to the contrary, on the lands zoned OS-T1 and measuring approximately 49.5 m in length and 20 m in width, the following provisions shall apply for a period of time which shall continue until November 7, 2008, at which time this temporary use section shall be deemed to be repealed and the temporary uses permitted herein shall cease:

1. **Structures**

- One boardwalk attached to the spit and not exceeding 49.5 m in length and 1.4 m in width;
- One main dock attached to and abutting the boardwalk and not exceeding 33 m in length and 1.6 m in width;
- One finger dock located perpendicular to the main dock and not exceeding 9.2 m in length and 1.1 m in width;
- Two finger docks located perpendicular to the main dock and not exceeding 6.1 m in length and 1.1 m in width each; and
- Anchoring systems related to the permitted docks.

2. **Uses**

- Docking of a maximum of 14 boats, excluding houseboats, as an accessory use to the permitted CT-6 uses;
- Initial spring launching and final fall hauling-out of houseboats, provided that no houseboats remain in the OS-T1 zone for more than two, 24-hour periods in any calendar year, and
- Emergency repair of a maximum of one houseboat at a time, provided that no houseboats remain in the OS-T1 zone for a period exceeding 24 hours.

3. **Prohibited Structures and Uses**

No other buildings, structures or uses, including gas pumps, sewage pump-out facilities, electrical power facilities, retail sales, houseboat maintenance activities, signage or public boat launch, shall be permitted.

4. **Monitoring**

That a qualified professional submit a yearly report certifying that the property continues to be in compliance with the requirements of Section 4.6.1.

2. **RU-T1** (Part Lot18 and 19, Concession 3, South Elmsley)

Notwithstanding the provisions of Section 11.1.1 to the contrary, on the lands identified as RU-T1, a garden suite shall be an additional permitted use on a temporary basis in accordance to the following:

- A garden suite shall be permitted for the period from April 7, 2008 to April 7, 2018, or until it is no longer required to accommodate the occupants (George Phillip Snider and Sally Catherine Snider) for whom it is being erected, whichever is lesser.
- Upon the expiry of the said period, this subsection and the associated RU-T1 zoning designation on Schedule A5 is repealed. (#2008-22 - April, 2008)

3. **RU-T2** (Part Lot 18, Concession 7, South Crosby)

Notwithstanding any provisions of this By-law to the contrary, on the lands zoned RU-T2, the following provisions shall apply for a period of time which shall until January 1st, 2021, at which time this temporary use section shall be deemed to be repealed and the temporary uses permitted herein shall cease:

1. **Structures:** Two single-family detached dwellings.
2. **Use:** The existing; century-old single-family dwelling shall be used as a GARDEN SUITE; providing temporary accommodation for Leonard Ernest Pyne & Irene Helen Pyne while the new second dwelling, located on the same lot, shall be occupied by Jason Leonard Pyne & Karen Anne Pyne and their children.
3. **Extension of Use:** The owners of the subject property shall inform the Township, in writing, of the desire for an extension of the period during which this by-law is in effect.
4. **Prohibited Continuation of Use:** At such time as the existing dwelling is no longer required to accommodate an elderly member(s) of the family occupying the second single dwelling on the same lot, the dwelling shall be demolished within a period of one-year stemming from a cessation of use, thereby bringing the use of the property back into compliance with the General Provisions of the Rural (RU) Zone.
